A Presentation for Kids

Engage your classroom with a cultural experience from the East Asian nation of Taiwan.

Learn about the beauty of Taiwan, including popular foods, games, buildings, natural landscapes, and the Taiwanese way of life.

Promote cultural diversity within your classroom while embracing the importance of freedom and democracy.

Curated for elementary school classrooms (3rd-5th grade), this fun interactive presentation is designed with kid-friendly topics in mind to enlighten students in fun meaningful ways.

About The Presenter

The opportunity to live abroad and be exposed to different cultures and languages at a young age strengthened Yulin's resolve in protecting the intrinsic values of a democratic society. Yulin is a loving mother who holds an unyielding infinity for freedom and human rights. Yulin brings a soft touch and an endearing smile to each of her presentations. Furthermore, her passion shines through in a fun and engaging way when presenting to our future generations and ignites the same curiosity and independent thinking in a child's mind.
